VOLUME 16 INDEX

NO. 1, FALL 2005 1–128
NO. 2, WINTER 2005 129–254
NO. 3, SPRING 2006 255–384
NO. 4, SUMMER 2006 385–538

Italic page numbers in index (for example, *322*) refer to pages with tables or figures.

A

Academic entrepreneurs, 12
Academic-practitioner partnerships, 403, 405–406. *See also* Catalyst model
Academy of Management, 401, 402
Accountability: assuring, 117; and conversions models, 156, 162–163; expectations of, 171; improved measures of, resulting from performance management use, 321, *322*; method of demonstrating, 315, 317, 321, 323; and quality systems, 140, 144, 148
Accountability movement, 144
Action research, catalyst model contrasted with, 469
ActionAid, 69
Active board members, relying on, 171
Active commitment, 66–67, 68, 69, 70, 71, 73, 74–75
Active members, and social capital, 484, 488, 489
Ad hoc research approach, 402
Adams, J., 453
Administration, as a newer profession, issue of, 8–9
Administrative databases, 421
Administrative procedures on technology, 284, 290–291, 292
Advocacy/lobbying organizations. *See* Education organizations; Law and advocacy/lobbying organizations
Affective commitment, 63, 64, 66, 69, 73
Affiliation, 195. *See also* National affiliation
Affluence, impact of, on sale of services, 460–461
African American institutions, discrimination of, 462
Age, leader-member, in sport organizations, 302–303
Agency problems, 20, 21, 412
AIDS Institute funding, 155, 158, 165
Alliance for Volunteerism, 497
Alternative donation options, availability of, 67–68, 74
Altruism, 195
American Academy of Management, 402
American Bar Association, 115
American Humanics Institute, 13
American Institute of Philanthropy (AIP), 435–436
American Law Institute, 118, 119
American Medical Association, 227
American National Election Studies, 272
American Revolution, 457
AmeriCorps, 265, 266, 267, 270, 271, 477, 502
Analysis: content, 85; guidelines for, in quantitative research, 406; for multimethods ethnography, 422–424; from secondary sources, 421; spatial, 437; thematic, 85. *See also* Regression analysis
Analysis of variance (ANOVA), 180, 181, 488
Andrews, F. E., 113
Anglican Church, 337
Anthropological dimension, 210–211, *214*
Anthropological research method, 413–414. *See also* Multimethods ethnography
Applied research, described, 400–401
Arkansas Domestic Violence Movement, 238
